

# International Journal of Environmental Science and Development

## CONTENTS

---

### Volume 10, Number 8, August 2019

|                                                                                                                                                |     |
|------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Techno-Economic Optimization and New Modeling Technique of PV-Wind-Reverse Osmosis Desalination Plant at Variable Load Conditions .....        | 223 |
| <i>Ahmed A. Hossam-Eldin, Kamal A. Abed, Karim H. Youssef, and Hossam Kotb</i>                                                                 |     |
| Potential Use Scenarios of Hybrid Biological Reactor for Petrochemical Industry Wastewater Treatment .....                                     | 231 |
| <i>Mohd Elmuntasir Ahmed, Rashed Al-Yaseen, Andrzej Mydlarczyk, and Adel Al-Haddad</i>                                                         |     |
| A Detergent Destruction Method Used for Aerobic Treatment of Wastewater High in Detergent Content (WHD) .....                                  | 236 |
| <i>K. N. Tan</i>                                                                                                                               |     |
| Spiky Burst of High Frequency Heart Rate Variability: A Prodromal Sign of Syncope Accompanying Heatstroke.....                                 | 241 |
| <i>Emi Yuda, Rui Iino, Yutaka Yoshida, and Junichiro Hayano</i>                                                                                |     |
| The Ocean Carbon Sink and Climate Change: A Scientific and Ethical Assessment.....                                                             | 246 |
| <i>Choy Yee Keong</i>                                                                                                                          |     |
| How Weather Factors Affect Electricity Consumption in the Different Times Ranges: A Study in the Bangkok Metropolitan Region of Thailand ..... | 252 |
| <i>Yada Ratanawaraha, Tikhamporn Kaewkitipong, Sirapob Nardviriyakul, and Jing Tang</i>                                                        |     |
