

International Journal of Environmental Science and Development

CONTENTS

Volume 6, Number 7, July 2015

• Energy and Environment

- Solutions for Energy Conservation and Pollution Reduction: Earth-Air Heat Exchangers.....484
Cătălin Teodosiu, Lidia Niculiță, and Raluca Teodosiu

- Motivation Factors in Energy Saving Behaviour between Occupants in Green and Conventional Buildings — Malaysia Case Study.....491
Nurul Sakina Mokhtar Azizi and Suzanne Wilkinson

- Energy Efficiency in Textile Sector of Pakistan: Analysis of Energy Consumption of Air-Conditioning Unit498
Aftab Khan Masood, Sher Muhammad, Shazia Iftikhar, Hammad Altaf, Wasi Ullah, and Faisal Shabbir

• Environmental Pollution Assessment

- Study of Lead Toxicity Mitigation in Soil in the Presence of Organic Matter.....504
N. Mollazadeh

- Increase of Metal Accumulation in Plants Grown on Biochar — Biochar Ecotoxicity for Germinating Seeds508
P. Soudek, Š. Petrová, and T. Vaněk

- Reliability Evaluation of Groundwater Contamination Source Characterization under Uncertain Flow Field512
Mahsa Amirabdollahian and Bithin Datta

- Prediction Model of Air Pollutant Levels Using Linear Model with Component Analysis.....519
Arie Dipareza Syafei, Akimasa Fujiwara, and Junyi Zhang

- The Environmental Fate of Natural and Synthetic Oestrogens; Comparison between Prediction Tools and Experimental Values.....526
E. A. Aziz, W. A. Wan Omar, and N. A. Zainodin

- Heavy Metals Distribution in Fractioned River Sediments — Case Study: Shafaroud River-South West of Caspian Sea.....530
Raziyeh Lak, Mohsen Saeedi, and Ali Vosoogh

- Evaluation of the Environmental Impact of CO₂ Flare Gas Emission for three hydrocarbon Gases by Using Exergy.....535
Hadyan Alajmi

• Environmental Resource Science

- Take a Look at the Main Impacts of Agricultural Land Use Change in Iran.....539

A. Asadi, A. A. Barati, and K. Kalantari

Studies on the Effect of TiO ₂ Nano Photocatalysis in the Pretreatment of Seawater Reverse Osmosis Desalination.....	543
---	-----

Hasna Al Jabri and S. Feroz

• **Environmental Psychology**

The Environmental Worldviews and Climate Change Mitigation Behaviors: Testing the New Ecological Scale in the Smallest Space Analysis for Chinese Samples.....	547
--	-----

Wen Xue and Shouying Zhao

• **Environmental Pollution Control**

Properties of Oil Sorbent Material Produced From Kenaf Fiber.....	551
---	-----

Ridwan Shamsudin, Hanisom Abdullah, and Som Cit Sinang

Bioremediation for Environmental Management.....	555
--	-----

Mahesh Arvind, P. C. Shreedharan, and S. R. Ambika
