

# International Journal of Environmental Science and Development

## CONTENTS

---

---

### Volume 10, Number 9, September 2019

- Impact of Dissolved Oxygen Concentration and DPAOs: Nitrifiers Population Ratio on Nutrient Removal in EBPR Process .....257  
*Masuduz Zaman, Xiaoguang Liu, and George Nakhla*
- Biosorption of Copper (II) from Simulated Wastewater Using Spent Coffee Grounds: A Column Study .....261  
*Aileen D. Nieva, Reuben James Q. Buenafe, Drex R. Guinto, and Jean Claudine F. Leaño*
- Comparison of Sulphur and Zirconium Doped TiO<sub>2</sub> Nanoparticles for H<sub>2</sub>S Gas Destruction .....266  
*Naeem Shahzad and Rai Waqas Azfar*
- Life Cycle Assessment of Spent Sulfuric Acid from Lead-Acid Traction Battery in Thailand.....270  
*Intang K., Khaodhiar S., and Attaphong C.*
- Friction Measurement on Common Floor Using a Horizontal Pull Slip Meter.....275  
*Samsiya Khaday and Kai Way Li*
- Evaluating the Effect of Rumen Microorganisms in the Codigestion Process of Swine Manure and Rice Husk .....280  
*Leite S. A. F., Leite B. S., Dell Isola A. T. P., and d Angelo J. V. H.*
- Machine Learning: An Efficient Alternative to the Variable Infiltration Capacity Model for an Accurate Simulation of Runoff Rates .....288  
*Hamidreza Ghasemi Damavandi, Dimitrios Stampoulis, Reepal Shah, Yuhang Wei, Dragan Boscovic, and John Sabo*
