

International Journal of Environmental Science and Development

CONTENTS

Volume 11, Number 1, January 2020

- Japan-Supported Biomass Energy Projects Technology Readiness and Distribution in the Emerging Southeast Asian Countries: Exercising the J-TRA Methodology and GIS 1
Andante Hadi Pandyaswargo, Da Pang, Issui Ihara, and Hiroshi Onoda
- Spatio-Temporal Trend Analysis of Groundwater Levels in Sharjah, UAE..... 9
Abdullah G. Yilmaz, Abdallah Shanableh, Rami I. Al-Ruzouq, Naseraldin Kayemah
- Extraction Technic for Built-up Area Classification in Landsat 8 Imagery..... 15
W. Prasomsup, P. Piyatadsananon, W. Aunphoklang, and A. Boonrang
- India's First Green Village — 'Khonoma' 21
Sapna Papu and Nishant Nathani
- Vulnerability Assessment and Adaptation Costs of Agriculture to Climate Change in the Lima Region, Peru... 26
Edelina Coayla and Elizabeth Culqui
- Predicting River Pollution Using Random Forest Decision Tree with GIS Model: A Case Study of MMORS, Philippines 36
Jayson M. Victoriano, Luisito L. Lacatan, and Albert A. Vinluan
- Remediation of Heavy Metal Pollution in Soil by Microbial Immobilization with Carbon Microspheres 43
Xiaohui Sun, Jing Meng, Shengnan Huo, Jianhua Zhu, and Shichao Zheng
- The Comparison of Environmental Impacts of Carbonized Briquettes from Rain Tree Residues and Coffee Grounds/Tea Waste and Traditional Waste Management 48
Chaisuwan N., Kansai N., Supakata N., and Papong S.
